FULLY AUTOMATIC WASHING MACHINE

New FRESH CARE WASHER-DRYER COMBO

INTRODUCING THE ALL-NEW FRESH CARE WASHER-DRYER COMBO.
WASH. DRY. WEAR. IN JUST 45 MINUTES^.

UP TO 99%* DRYING
Equipped with a powerful spin cycle of 1600 RPM**, it dries the laundry up to 99%* and gives ready to use clothes every time.

STEAMCARE™ TECHNOLOGY
Slow gentle movements of the drum combined with the power of steam keeps garments fresh inside the drum for up to 6 hours# after the end of the washing cycle.

4 LEVELS OF DRYING
The machine comes with various levels of drying suitable for different kinds of laundry.

6TH SENSE® SoftMove TECHNOLOGY
Automatically senses the load and adapts drum movement (6-drum movement) to minimise friction and maximise wash performance.

FRESHCARE+ TECHNOLOGY
Performs tumbling action for up to 6 hours# post drying cycle which prevents garments from creasing.

^This cycle washes and dries a laundry load of up to 1kg in just 45 minutes. *Results based on internal lab testing done on select model under standard conditions. Activated when FreshCare mode is selected. **Results based on internal lab testing done on select model under standard conditions. Applicable for up to 2 Kg of wash load under Eco Cotton 60°C program and Cupboard dry mode. Terms and conditions apply. #Available in selected model. Images are for representation only. Features available in select models only.
